
APPENDIX B

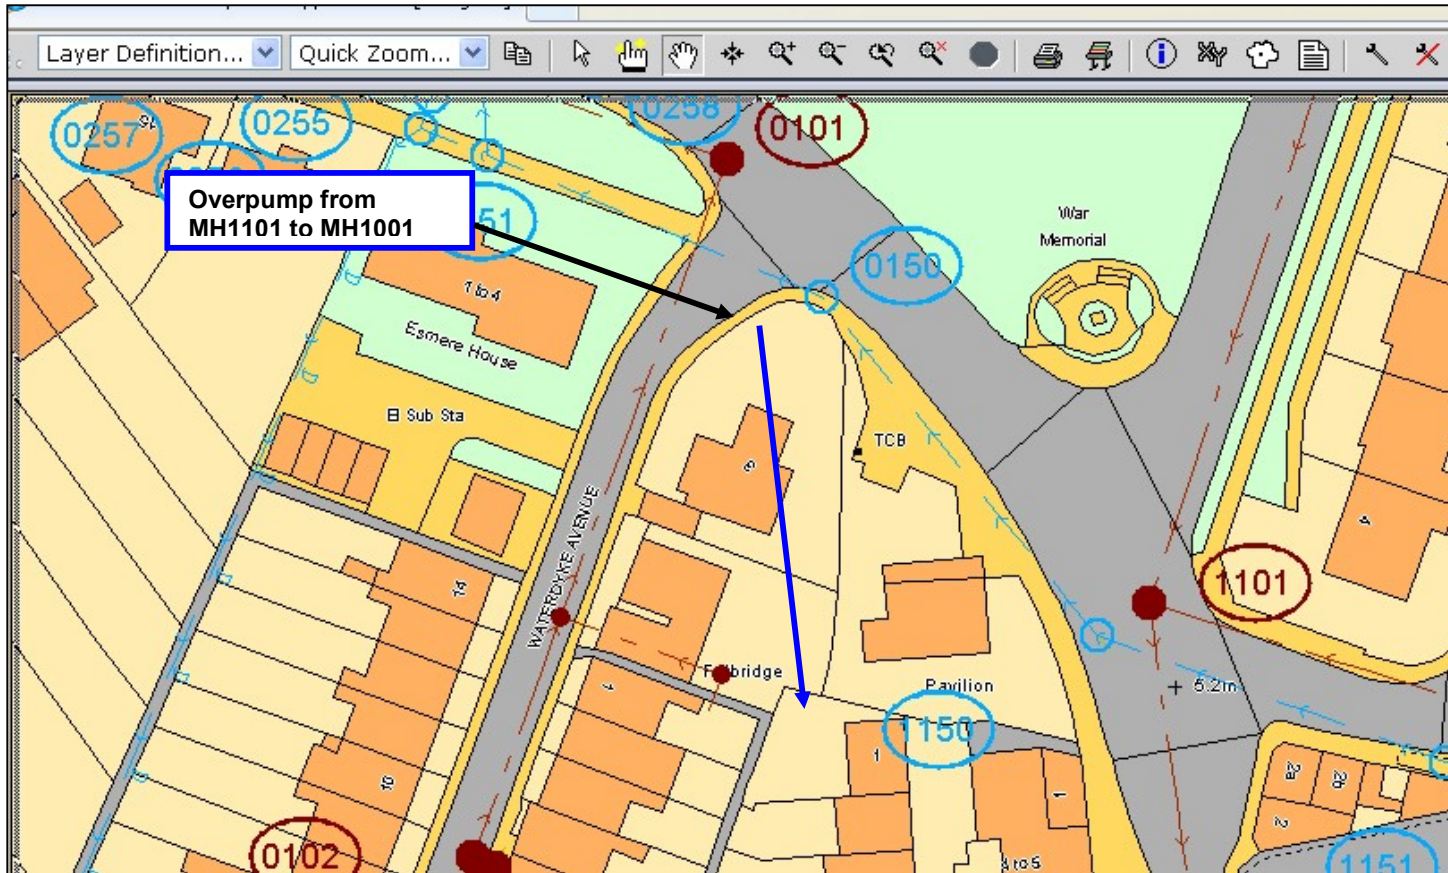

Emergency Discharge Sites

See notes in Section 4.1 regarding the potential need to modify / augment over-pumping sites to deal with future flood events. Over-pumping sites will be selected to provide the most effective arrangements to maintain services, whilst minimising environmental effects. Where practical, sites that have been used previously are expected to be re-used (when necessary), but the use of different locations cannot be ruled out, if hydraulic conditions dictate.

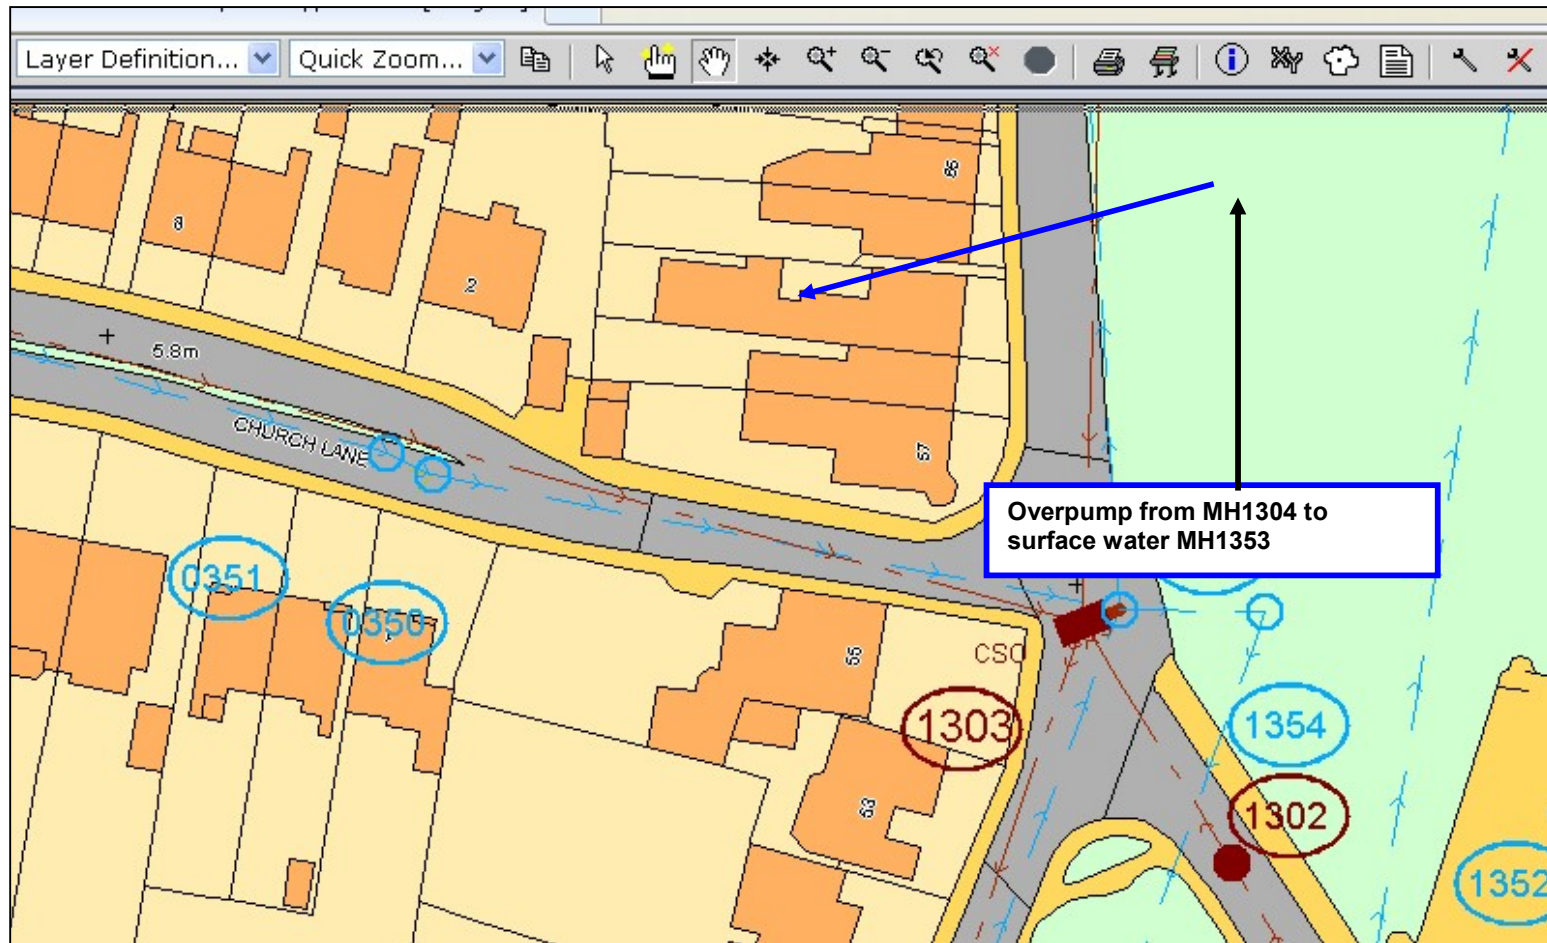

Outside 10 Cross Road, adjacent to Cross Road Rest Garden park (Plan 1 of 3)

Underneath the railway crossing, outside 2 The Green (Plan 2 of 3)

South end of The Green, near Europa House (Plan 3 of 3)

Timing for deployment of tankering and over-pumps

Location	Tankering			Overpumping		
	Start Date	Stop Date	Typical Number of Tankers	Start Date	Stop Date	Typical Number of Pumps
The Green, Southwick	N/A	N/A	N/A	23/02/2013	18/03/2013	3
	N/A	N/A	N/A	14/02/2014	14/04/2014	3
	N/A	N/A	N/A	Winter 2019	early 2020	3
